Sailability

Have a disability, but want to sail? - GSC can help!

We have;

- a range of specialist equipment; including access dinghies, several larger boats and a hoist.
- Trained safety boat crews and instructors.
- Experience in making sailing accessible to all.
- A well equipped wheelchair accessible clubhouse.

GSC has the equipment, training and experience to give safe and enjoyable Sailing to people with a range of impairments including; visual, hearing and physical as well as learning disabilities.

Dedicated Sailability sessions run from May to September and free taster sessions can be arranged by request, contact sailability@girtonsc.com.

Recent Sailability Events/Activities at GSC
